Judge's Critique

Judge : **Mr S Pearson**

Special Award Judge : Mr K Williams

To say I was looking forward to this day would be an understatement, I would like to thank the committee and the membership of the NoEDC for entrusting me with this appointment. I thoroughly enjoyed the day and appreciate the sporting nature in which the exhibitors accepted my decisions. Everything ran smoothly and that is a credit to my two ring stewards, Josie and Steve who made sure everything was all above board and I only had my own job to concentrate on.

Class 1 Veteran Dog (5,0)

1st Barrett's Ch Shulune Ice Phantom of Dalamanti Sh.CM 7 year old black spotted male, in prime condition. Strong muzzle, dark eyes and well set ears framing a strong yet elegant head. Moderate angulation fore and aft, deep chest with plenty of heart and lung room. Not too long in loin and ideal for size, well muscled and moved around the ring with plenty of reach and drive showing some of the youngsters how it should be done. More than happy to award him Best Veteran Male and ultimately Best Veteran in Show.

2nd Alcock's Creaganbrec Face of Beau at Dalspartan Sh.CM 7 ½ year old liver spotted male. Head is elegant and he has a great expression when paying attention and focusing, dark amber eyes a highlight. Balanced angulation, ideal for size. Hocks well let down and held his top line on the move, preferred the movement of 1 in this class.

3rd Croft's Doubtwell Show Stopper JW

Class 2 Minor Puppy Dog (3,0)

1st Christie's Laguna Dios Free Falcon by Sophtspot (Imp) Evenly decorated 9 month old black spotted dog, well up for size yet still balanced. Moved with purpose around the ring and presented himself well whilst standing. Darkest of eyes. Well off for bone and substance, deep chest and strong loin. Good muscle and condition for a youngster. His movement won him this class. Best Puppy Dog.

2nd Page's Rapanooy Calvin Klein by WInflash 6 month old black spotted male. Scores well for type, however in this class wasn't quite settled in his movement. Confident and outgoing whilst being gone over, more than enough bone and not overdone. Will watch him grow with interest.

3rd Millington's Capearlla Pure Diamonds

Class 3 Puppy Dog (2,0)

1st Christie's Laguna Dios Free Falcon by Sophtspot (Imp) As 1st Minor Puppy Dog.

2nd Millington's Capearlla Pure Diamonds 6 month old black spotted dog, 3rd in the previous class and a real baby. Did not have the substance of 2nd in the previous class and was looking slightly bum high on the day. However I'm sure that all of that will level up and he will fill out given time. A gorgeous ghost face and very evenly marked.

Class 4 Junior Dog (6,0)

1st Wheaton's Buffrey the Last Word at Acinonyx 15 month old black spot, dark eye and well broken ears which he carried well and used when needed. Good for size, being picky he looked a little leggy, however just needs his chest to drop to complete what is an overall balanced specimen. Moved around the ring with plenty of drive. Once he matures I'm sure his day will come, happy to award him Best Junior in Show.

2nd Millington's Gloriandus Sagaro of Capearlla 14 month old Liver spotted male, good balanced head proportions with ears used to advantage. Would prefer a darker amber eye. Well muscled, moderate angulation front and back and painted a good picture standing, tail carriage spoiled outline on the move. Tight cat feet and his bone matched his size and build perfectly.

3rd Hopkin's Rapanooey Red Rose

Class 5 Maiden Dog (3,0)

1st Millington's Gloriandus Sagaro of Capearlla As 2nd in Junior Dog.

2nd Page's Rapanooey Calvin Klein by Winflash As 2nd in Minor Puppy Dog. However must add that he settled into his movement in this class a lot more than in the earlier class.

3rd Wallington's Sophtspot in the Zone

Class 6 Novice Dog (5,1)

1st Page's Rapanooey Calvin Klein by Winflash As 2nd Minor Puppy Dog.

2nd Dore's Daldior Mr Foxtrot 3 year old lightly spotted liver boy. Deep amber eye, well arched elegant neck. Good angulation front and back, nice tight feet. Didn't quite show himself off to advantage and 1st had really got into his stride by this class.

3rd Newton's Chizzmic What a Carry On

Class 7 Graduate Dog (7,0)

1st Gibbs' Phadante Mr Blue Sky JW Black spotted male, 23 months. Loved his size and type, strong head but his ears were up and attentive to his handler which presented an elegant yet masculine picture and he has the darkest of eyes. Ideal size with great bone and substance. Angulation wise there was nothing overdone about him, scores well for his balance. He excelled on the move and seemed to eat up the ground without going at a too fast pace. In the challenge for best male, he just gave that little extra to clinch the award. Best Dog and ultimately reserve best in show.

2nd Wheaton's Buffrey the Last Word at Acinonyx As 1st Junior Dog.

3rd Cobb's Kalokairie's Carbon Copy JW

Class 8 Post Graduate Dog (4,0) 1st Hernandez's Dalminshi Starlite Express 22 month Black Spotted male. Masculine head, dark eye. Good size, with angles to match. Presented in good condition, pleasing decoration with jet black markings on a white coat. Strong pasterns, well let down hocks and a moderate bend of stifle. Not overdone. Moved better in this class than in the challenge where he just seemed to lose his top line.

2nd Marley & Libbey's Bellilli's D'amore De Loin Sh. CM 2 year old black spotted dog, boldest black spotting. Presented in good solid condition

with plenty of muscle. Preferred the head of 1, however still liked the dark eye and expression on this boy. Deep chest, balanced angulation.

Moved around the ring well but broke his stride whilst cornering.

3rd Pawson's Cragvallie Vinny's Chance

Class 9 Limit Dog (9,2)

1st Wallington's Rovinjdal Dare to Dream Sh CM 3 ½ year old liver spotted dog with pleasing decoration. This boy is a good honest dog with nothing overdone and scores for elegance whilst maintaining masculinity. Presents a pleasing outline standing and moves around the ring effortlessly. Moderately angulated, good for bone and shown in excellent condition. In the challenge he didn't seem to catch the eye like he did in the class.

2nd Hopkin's Rapanooey Rasputin 2 year old black spotted male, different type to 1 but both were a good size. Stronger in head than 1 but again good decoration and shown in tip top condition. Tight feet, strong bone. Deep chest and ideal coupling. Moderately angulated and profile movement was excellent.

3rd Whincup's Tamilanda Midnight Lilly JW

Class 10 Open Dog (5,2)

1st Page's Winflash Hugo Boss Black spotted 3 year old male. Best mover in the class on the day, presenting the best profile whilst gliding around the ring. Strong head with kind expression. Scores for balance and type, again nothing overdone on him. Tight cat feet used to propel him with just the right bone and substance for his size. Just seemed to drop into his shoulders during the challenge for best male, happy to award him Reserve Best Male.

2nd McCarthy's Fr Ch Domdallino Je Suis Kilindandy JW 3 year old liver male, would prefer him to make better use of his ears as it seemed to spoil his whole expression. Perfect size, deep chest with good spring of rib. Maintains his topline well. Good bone and substance, front and back angulation matching. Loin strong and not too long. Moved well around the ring but just not with the same eye catching outline as 1.

3rd Croft & Cobb's Kalokairies Bullet Proof

Class 11 Veteran Bitch (5,0)

1st Jenkins' Jewelruby Queen 7 year old elegant black spotted bitch. Good head proportions and round dark brown eyes, elegant arched neck. Moderate angulation. Decent spring of rib, perfect muscle tone to ensure that she moved around the ring with an economical action on her nice tight cat feet. In the challenge for Best Veteran in Show she was unlucky to encounter the Male in such good condition. Best Veteran Bitch.

2nd Gibbs' Ch Phadante Dixie Lily JW I was splitting hairs in between one and two as a lot of what can be said about one can be said about this girl. 8 ½ year old black spot girl. Ideally sized and exquisite markings. Very typical head and expression, using her ears to frame her face. Moderate angulation, could move all day however on today's performance the drive of 1 just edged this class.

3rd Barratt's Marricdale The Gold Digger of Dalamanti Sh. CM

Class 12 Minor Puppy Bitch (3,1)

1st Hobbs & Whiting's Rapanooey Rascallion As minor puppies go, this 6 month old liver spotted bitch could be used as a mould. Very typical in her make and shape and a personality to die for. She moved around the ring and performed as if she had been doing this for years, taking everything in her stride. Dark amber eyes, an arched neck leading to well laid back shoulders and then her level topline. Balanced angulation front and back and it was when she moved around the ring with an effortless gait that won her this class, Best Puppy Bitch and ultimately Best Puppy In Show.

2nd Millington's Capearlla Pure Illusion This 6 month old black spotted bitch, underneath the spotting is a well constructed Dalmatian with all of the virtues you would look for. Bone and substance correct for her age and frame, her outline on the stand caught the eye and she moved

around the ring well in profile.

Class 13 Puppy Bitch (2,0)

1st Hobbs & Whiting's Rapanooye Rascallion As 1st Minor Puppy Bitch.

2nd Ward's Frankish Chatelaine 10 month old black spotted bitch, a little overawed with the hands on however with gentle persuasion did allow me to see teeth and feel enough to confirm what my eyes were seeing. A well put together girl with the most beautiful and even decoration, balanced angulation and a good size for her age. For all she was overawed for the hands on, when she relaxed she moved around and out and back perfectly.

Class 14 Junior Bitch (6,2)

1st McCarthy's Tolkain Gold Star for Kilndandy 14 month old liver spotted bitch, amber eye and kind intelligent expression. Her bone and conditioning are ideal for a bitch of this age and size. Her fore chest is a virtue not seen in enough and her balanced angulation and tight cat feet, with well-manicured nails, allowed her to move around the ring with reach and drive. My notes for this class state "attentive to handler" however a few times, later on, she would hold her head too high and neck too vertical spoiling the front assembly and lay of shoulders that I had seen in this class.

2nd Quayle's Chizzmic Carry On with Cubalibre 15 month old black spotted bitch, I preferred the size of 1 over her, but she has so many things going for her. Another exhibit that moved with reach and drive without it being a race to see who can get around the ring the quickest. Her build and angulation ensure that her movement will be correct. Good dark eye and a beautiful head, a shame that she met 1 in this class.

3rd Lamb's Dalpetro Diamond

Class 15 Maiden Bitch (5,1)

1st McCartheys Tolkain Gold Star for Kilndandy As 1st Junior Bitch.

2nd Suggett's Kalokairie Decadent Diva at Kintegus I loved the make and shape of this 15 month old black spotted bitch when I went over her in the Junior class, she is very typical. However in the junior class I couldn't see any movement at all to appreciate it, in this class she settled enough for me to see that her movement does indeed go with her build. Balanced angulation front and back, plenty of heart and lung room in her chest and shown in super condition.

3rd Hobbs & Whiting's Rapanooye Rascallion

Class 16 Novice Bitch (3,0)

1st McCartheys Tolkain Gold Star for Kilndandy As 1st Junior Bitch.

2nd Hobbs & Whiting's Rapanooye Rascallion As 1st Minor Puppy Bitch.

3rd Ward's Frankish Chatelaine

Class 17 Graduate Bitch (4,0)

1st Quayle's Chizzmic Carry On with Cubalibre As 2nd Junior Bitch.

2nd Wilshaw's Tamilanda Calla Lilly Nearly 2 year old black lightly spotted bitch, there is nothing to hide on this bitch and was presented to me with nice clean lines. Good head proportions and she paints such an elegant picture, proving very easy on the eye. Moderate angulation and again an effortless mover, just not quite the drive of 1. She gave everything her handler asked of her.

3rd Richardson's Mapplewell Ely Brown

Class 18 Post Graduate Bitch (4,1)

1st Cuthbertson's Ellemstra Little Mix with Kalsidoni 2 year old black spotted bitch, she certainly deceived me as it was only when I went over her that I appreciated all of her virtues. A pleasing head and used her ears perfectly, her dark eyes compliment her expression. She is a good

size and nothing is overdone, very balanced throughout. Today she presented the best lines moving in this class, however, in the challenge she didn't move with as much drive whilst moving out and back.

2nd Ridgeway's Luccombe Strawberry Royal Another 2 year old black spotted bitch, elegant head and neck leading to a level topline. Well laid back shoulders and a good front assembly perfectly balanced with the rear. Good decoration and ideal for size, tail set slightly low and unfortunate that 1 moved so well in this class.

3rd Connolly's Tamilanda Summer Pink at Connomoor

Class 19 Limit Bitch (7,1)

1st Dore's Daldior Miss Hula Hula Girl 3 year old black spotted bitch, entirely feminine and very elegant with it. She's all woman and knows it. Beautiful head, elegant neck, good spring of rib and a front construction to be proud of. Tight cat feet, slightly long in the loin but I can forgive that in a bitch. The rear assembly matches that of the front, good bend of stifle and the conditioning on her is perfect for her frame. She moved around the ring and caught my eye, and her and her handler seemed to have a great rapport. In the challenge for Best Bitch she didn't quite have the same sparkle as she did in the class but still happy for her to be my Reserve Best Bitch.

2nd Stevenson's Macula Moonlight Mystique JW This two and half year old black spotted bitch is another that I found to be deceiving, it takes getting your hands on her and watching her closely to appreciate her fully. She has a splendid head with ideal proportions and dark brown eyes. Balanced moderate angulation front and back, tight cat feet, ideal length of loin and another shown in perfect condition. 1 just gave me more of what I was looking for today.

3rd Barratt's Dalamanti Ice Ruby JW Sh. CM

Class 20 Open Bitch (5,0)

1st Philip's Dvojica Bubble N'chic at Nordalset 4 year old black spotted bitch who was out to impress me from the off. I thought I was impressed by her profile movement, that was until she moved out and back and kept such a tight line giving me everything that the standard asks for. A gorgeous head and expression, her ear set and carriage was just perfect be it standing or moving. An ideal size, her underline was great to see as there are number who either have too much or too little tuck up. She was presented to me in perfect show condition, muscled and toned to do the job she was bred for the more she moved the more she just seemed to glide. She has balanced moderate angulation, good bone and it was a pleasure to award her Best Bitch and ultimately Best in Show.

2nd Page's Winflash Prada Candy Kiss 2 year old black spotted bitch, liked her size and shape. Dark eyes, well sprung ribs and good forechest. Her front and rear assemblies ideally balanced. Level topline, good strong loins. Another with beautiful decoration, moved around the ring with style and ease. Just preferred the head and feet of 1.

3rd Whincup's Tamilanda Pick-A-Lilly

Class 21 Brace (1,0) 1st Wheaton's A well matched pair, who moved around the ring in unison. At times it is hard enough to get one Dalmatian to stride out for you, so to get two to move at a steady pace and not break stride the handler should be commended.

Stuart Pearson (Kelevra)
