Judge's Critique

Judge : **Mrs K Goff-Legget**

I was very impressed as always with the Windsor committee and the running of the show. Everyone was very helpful, especially my two stewards who I would like to thank for their assistance. The ring was of a great size, the Dalmatians were well-presented and overall the temperaments were sound. It is always a privilege to judge our beautiful breed. The Dalmatian is known for their free movement and soundness, however, my impressions of some of the dogs gave me concern about the standard of movement. There is a lack of muscle on hindquarters and I have also seen some leading to rear hocks so close that they nearly cross. On a more positive side, my winners were very much to the same type and true to the standard of our lovely breed.

I had a super day and was more than pleased with my winners. I would like to thank the exhibitors for supporting the show and bringing along some excellent quality dogs.
